24" Panel Ready Dishwasher

Benchmark® Series – Panel Ready SHV9PT53UC

SHV9PT53UC
Panel Ready

Expandable wings on our flexible 3rd rack provide extra height to fit ramekins, measuring cups and extra-large utensils.

Features & Benefits

39 dBA: Quietest dishwasher brand.

A flexible 3rd rack with folding tines adds 30% more loading capacity.

A clean white light illuminates the interior when the door is open.

Water softener ensures optimally spot-free and shiny dishes.

AquaStop® Plus 4-Part leak protection prevents water damage 24/7.

Notes: All height, width and depth dimensions are shown in inches. BSH reserves the absolute and unrestricted right to change product materials and specifications, at any time, without notice. Consult the product's installation instructions for final dimensional data and other details prior to making cutout. Applicable product warranty can be found in accompanying product literature or you may contact your account manager for further details.

Warranties: Bosch warrants that the Product is free from defects in materials and workmanship for a period of three hundred and sixty-five (365) days from the date of purchase. The foregoing timeline begins to run upon the date of purchase, and shall not be stalled, tolled, extended, or suspended, for any reason whatsoever. This Product is also warranted to be free from cosmetic defects in material and workmanship (such as scratches of stainless steel, paint/porcelain blemishes, chip, dents, or other damage to the finish) of the Product, for a period of thirty (30) days from the date of purchase or closing date for new construction. This cosmetic warranty excludes slight color variations due to inherent differences in painted and porcelain parts, as well as differences caused by kitchen lighting, product location, or other similar factors. This cosmetic warranty specifically excludes any display, floor, "As Is", or "B" stock appliances.

24" Panel Ready Dishwasher

Benchmark® Series – Panel Ready SHV9PT53UC

Installation Details

- 23 5/8" (600 mm) without decor strips
- ** measured from the bottom edge of the countertop panel thickness recommended 3/4" (20 mm).

This dishwasher can accept custom door panel weights ranging from 7 to 24 lbs; however, the dishwasher comes from the factory ready for custom panel door weights from 11 to 18 lbs. If you plan on using a door panel that is not 11 to 18 lbs, please contact customer service at (800) 944-2904.

- *** 24" (610 mm) wide panel may be used depending on cabinet design

Note: Refer to installation template for mounting hardware locations measurements in inches (mm)

Included:

- Pre-connected drain hose
- Pre-connected AquaStop® inlet hose
- Toe-kick
- Power cord with junction box

Drain hose: 63" (160 cm)	Drain hose: 59" (150 cm)
Water inlet hose: 55" (140 cm)	Water inlet hose: 47" (120 cm)
Electrical junction box: 11 3/4" (30 cm)	Electrical junction box: 29 1/2" (75 cm)

All connections are at the rear of the appliance. Extension for drain hose available as accessory. Power cord for connection to electrical outlet (3-prong plug) available as accessory.

Note: Cutout required on left or right cabinet wall, depending on location of water inlet, drain and electrical connection

Power cord with junction box included

Example of Hardwire Installation

Note: Cutout required on left or right cabinet wall, depending on location of water inlet, drain and electrical connection

Power cord with junction box included

Example of an Electrical Receptacle Installation
